

GreenTech®

**WE MAKE BETTER
MEMORIES FOR YOU**

Get to know us

Greentech is all about high-quality, trending, and durable Sound & Storage devices. We only believe in providing the best quality products and after-sale services. You will never regret selecting our company for your storage.

History

Team Greentech came in the year 2006 and began its journey in Flash drive Industry. In 2022 Greentech is the Largest Manufacturer of Memory cards & Flash drives in India & had a great network of distributors.

The company gained ground in this sector keeping in mind the growth rate in the business of memory modules. The company produces and deals in many types of memory modules, mobile, and computer accessories.

Distribution Network

Although we have a good distribution network in the market our Vision is on focusing on localized market characteristics and channel management to build a strong distribution network, Greentech aimed to achieve its goal and success through full customer satisfaction.

- **2 IN 1 OTG DRIVE**

USB FLASH DRIVE

HIGH EFFICIENCY AND METALLIC FINISH PENDRIVE

Greentech new range of USB Neo drives come in sizes varying from 8 GB to 128 GB.

Large capacity and convenient storage make it the ideal choice for transferring, storing, or carrying a large amount of data without any hassle.

Store your photos, music, videos, documents, and whatnot without worrying about low storage.

SD CARDS

IDEAL FOR 4K UHD VIDEO AND BURST MODE ON YOUR DSLR.

Greentech SD cards are for adventurers who are always on the go chasing the perfect moment to capture. With superior transfer speeds of up to 120MB/s. Available in multiple sizes varying from 16GB to 128GB.

With high-speed performance, shoot stunning 4K Ultra-HD videos without worrying about slow speeds and dropped frames, or shoot sequential burst-mode photography that's seamless and consistent.

OTG NEO DRIVE

THE ALL-METAL, 2-IN-1 FLASH DRIVE

Looking for storage that works across your USB Type-C and Type-A devices?

The all-metal, Greentech OTG Neo drive lets you easily move files between your USB Type-C smartphone, tablets, Macs, and USB Type-A computers.

Now you can take even more photos and access them across all your devices. Available from 16GB to 128GB.

MICROSD CARD

FAST ENOUGH TO KEEP UP WITH THE ACTION

The Greentech memory card lets you save time transferring media with reading speeds of up to 120MB/s. It helps you to capture fast-action photos or shoot 4K UHD.

Ideal for recording outdoor adventures, weekend trips, or sporting events without skipping frames. With Greentech MicroSD (8GB - 128GB), this card optimizes performance for timesaving media offloads with quick read speeds
